2026*

Jon learning to "floss"

Jaycia "checking" the soil

Building fence for the Bowman-Slope Arboretum

Jon and Zach planting

Ruby's Flashy Planting Pants

Allie resting after a long day

# 2025 Tree Planting

Had a great year of planting! This group is such a blast to work with. They have a great work ethic, but even better personalities. This year, not only did we plant trees and lay weed barrier, but we also helped out over in the Bowman-Slope Arboretum and made some big changes to our Arboretum. Make sure to check it out!

## 2026 Handplant Order Form
